

Dara Samui Beach Resort

(Adults only resort - aged 12 years old and over)

It is the intention of the owners of Dara Samui to build a resort which is unique and different from the other resorts on this paradise island. The outcome is a unique architecture representing the replica of historical buildings found in the northern part of Thailand known as Lanna. Dara Samui Beach Resort commenced operation in August 2007, comprises 70 elegant guestrooms/suites build on 3 levels and villas near the swimming pool. The buildings are connected by stairs and walkways (no passenger elevator or lift). All rooms have individual terrace (Level 1) or balcony (Level 2 and 3). While our rooms do not have "seaview" or "seafacing", we are located directly on the beach.
